High-Efficiency Heating and Water Heating Rebate Program Schedule for 2007 — 2008

KeySpan is providing cash rebates for the installation of high-efficiency gas heating and water heating equipment. The rebates are provided to multifamily and commercial/ industrial customers to reduce the incremental cost difference between standard and high-efficiency heating equipment.

This program is available for KeySpan heating customers for installations completed between **9/1/2007 and 4/30/2008**.

The rebate amounts are subject to change without notice. Applications must be received by **5/31/2008**.

TO PARTICIPATE, FOLLOW THESE SIMPLE STEPS:

1. Consult your heating contractor for a listing of all models that are eligible for our program incentives. Review the enclosed information regarding program guidelines.
2. Once your new natural gas-fired high-efficiency heating system has been installed, review and complete this application and attach a copy of your dated receipt/invoice/ work order to:

KeySpan C&I High-Efficiency Heating Rebate Program
c/o EFI
40 Washington Street, Suite 2000
Westborough, MA 01581

3. Multiple accounts require multiple rebate applications (photocopies accepted).

For additional information, please contact us at: 1-800-292-2032.

* AFUE = Annual Fuel Utilization Efficiency

¹ THERMAL EFFICIENCY = Efficiency of heat transfer in a boiler minus boiler radiation and convection losses.

² Modulation of gas and/or variable air flow required.

NOTE: All equipment must meet program guidelines.

All rebates are given on a per-unit basis.

All rebates are subject to change without notice.

TERMS AND CONDITIONS For Commercial/Industrial high-efficiency heating, infrared and water heater equipment

1. REBATES

Subject to these Terms and Conditions, KeySpan (the "Company") through its contractual Vendor, Energy Federation Inc. (the "Vendor"), will pay rebates to eligible customers for the installation of High-Efficiency Heating and Water Heating Equipment described in the program information literature.

2. CUSTOMER ELIGIBILITY

KeySpan's Customers facilities are eligible if they are installing a high-efficiency gas furnace or boiler, low-intensity infrared heater, or high-efficiency water heater as described in the front of this application; and (A) They meet eligible commercial rate codes. (B) The installations are completed between 9/1/2007 and 4/30/2008. Applications must be received by 5/31/2007.

3. POST-INSTALLATION WORK VERIFICATION

The Company reserves the right to perform a verification of the specified installation. If the Company determines that the equipment was not installed in a manner that is consistent with program guidelines and applicable state and local code requirements, the Company may require that the installation be modified before making any rebate payments. The cost of such modifications is the responsibility of the Customer.

4. REBATE APPLICATION

The Customer is responsible for completing all required Customer, Equipment and Contractor information on the Rebate Application (the "Application"). Rebate Applications will not be processed if they are not properly completed.

5. HIGH-EFFICIENCY HEATING AND WATER HEATING EQUIPMENT INSTALLATION

All installations must be completed in conformance with state and local code requirements and by properly licensed contractors.

6. REBATE AMOUNTS

(a) The Company will provide rebates for approved equipment, equal to the rebate amount indicated in the program literature and within this Application.
(b) The Company will not provide rebates more than 50% of the cost of the equipment and will limit the rebate amounts at \$100,000 per project per account.

7. PROOF OF COST OF INSTALLATION

As part of its rebate application, the Customer is required to submit copies of all invoices documenting the installation (including all materials, labor and equipment invoices) which reflect the actual cost of purchasing and installing the equipment. In addition, the Company and the Vendor may request any other reasonable documentation or verification of the date of installation or the cost to the Customer of purchasing and installing the equipment. The Application and documentation shall be provided to the equipment inspector prior to the time of the work verification.

8. PAYMENT

The Company, through its Vendor, expects to make rebate payments to its eligible customers within 45 days of satisfactory work verification.

9. PROGRAM LITERATURE

The Customer must comply with the instructions in the program literature for obtaining KeySpan rebates on approved equipment.

10. INSTALLATION SERVICE COSTS

The Company, through its Vendor, will recognize material and installation costs (actually incurred by the Customer) only to the extent that they are reasonable.

11. NO WARRANTIES

(a) The Company and the Vendor do not endorse, guarantee or warrant any particular contractor, manufacturer or product.
(b) The Company and the Vendor do not make any representation of any kind regarding the results to be achieved by the equipment or the adequacy or safety of such equipment.

12. LIMITED SCOPE REVIEW

The scope of review by the Company and the Vendor and their Inspector of the installation of the equipment is limited solely to determining whether rebates are payable. It does not include any kind of safety review and should not be relied upon as one.

13. CHANGES IN THE REBATE PROGRAM

The program and these Terms and Conditions may be changed by the Company and the Vendor at any time without notice.

14. NO TAX LIABILITY TO THE COMPANY AND VENDOR

The Company and the Vendor are not responsible for any tax liability which may be imposed as a result of receipt of the rebates by the Customer.

15. CONTRACTOR INSURANCE

The Company and the Vendor are not responsible for any damage that may be caused by or arise out of an installation of any equipment. The Customer should select Contractors who carry appropriate insurance coverage.

Other limits may apply on a case by case basis. KeySpan reserves the right to alter or close the program at any time.
